ABOUT INSTITUTE

IIMT College of Science & Technology, Greater Noida came into existence after receiving recognition from NCTE for offering teacher education course to a unit of 100 B.Ed. students during the academic session, 2006-07. Currently the College is also running B. Sc. (Computer Science) Course. The college is situated at Plot No. 20, Knowledge park III, Greater Noida. It is recognized by NCTE and affiliated from C.C.S. University, Meerut. It is a self-financed college, managed by seven Rotarians, all of whom are devoted to the service of humanity and downtrodden section of the society. The college is established with a view to mould and shapes the prospective teachers to be competent to transact the curricular experiences to the students of secondary schools and to produce quality teachers with great values so that they could contribute in the task of Nation building.

OUR VISION

The vision of the College is to be among the best Teacher Training & Computer Science Institutions, creating extraordinary career driven professionals to cater the need of today's Hi-tech era.

OUR MISSION

- Providing multi-faceted development of the students to prepare them for latest trends and professional challenges.
- To create a learner centric environment for the students to be honed in different skills and make them advance in teaching & technology profession with the seamless incorporation of science and arts.
- The College envision to be center for academic excellence across Nation.
