IIMT COLLEGE OF ENGINEERING, GREATER NOIDA

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

Workshop

On

Sensors & Embedded System for IoT

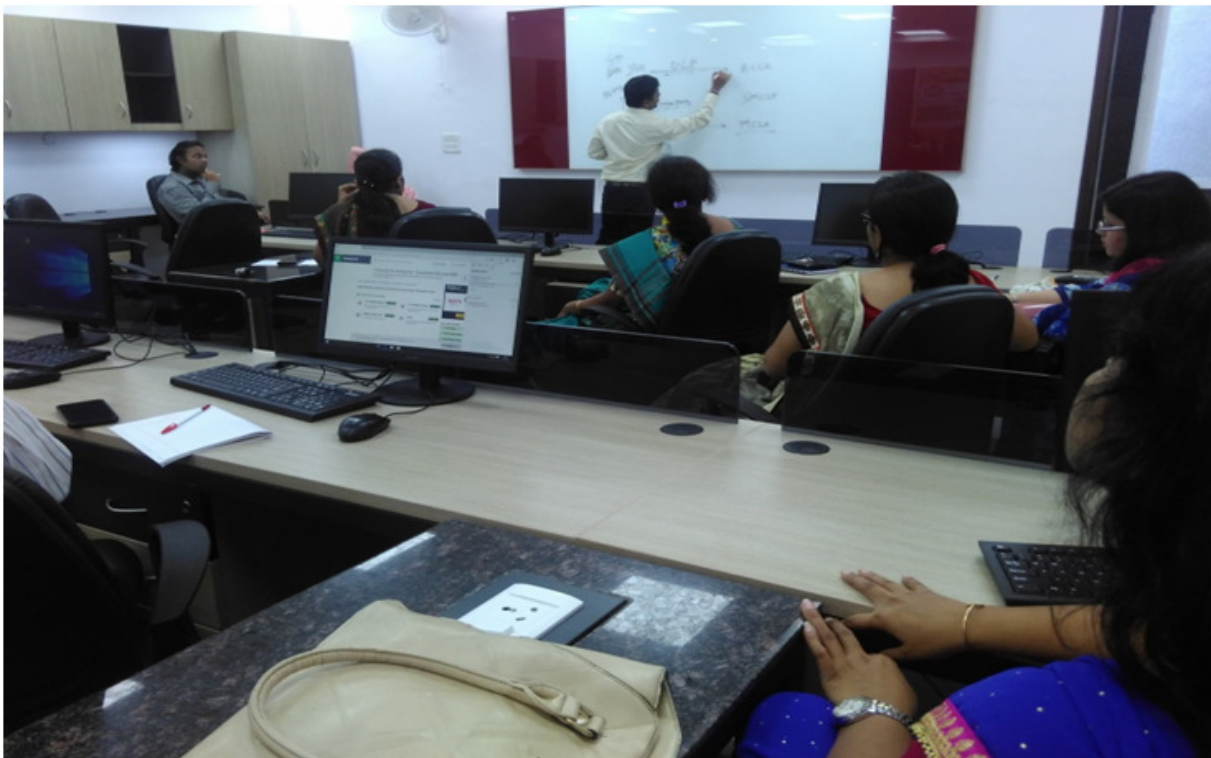

(Date: 11th – 15th September, 2017 Dept of ECE)

Texas Instrumentation Lab

Department of Electronics and Communication Engineering organized a five day workshop on Sensors and Embedded Systems for IOT during 11-15 Sep 2018. This workshop was arranged under AKTU university program with Texas Instrumentation. Senior engineers from Texas Instrumentation took the lectures and gave the faculty of ECE deep insight into the field of IOT.

More than 20 faculty attended the workshop both from IIMT and other reputed colleges of Greater Noida

IIMT COLLEGE OF ENGINEERING, GREATER NOIDA

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

National Conference

On

New Paradigms in Electronics, Communication & Computing

(Date: 24th January, 2018 Dept of ECE)

Sarabhai Hall

Speaker: Mr. Deepak Sindhu

(IIMT University, Meerut)

Department of EC organized National Conference on New Paradigms in Electronics, Communication and Computing (NCNPECC 2018) on Jan 24, 2018 in old B. Tech. 2nd floor seminar hall.

The objective of the conference was to provide a platform to researchers, engineers, academicians and students to deliberate on latest developments in the field of electronics, communication and computer engineering. The output of the conference in the form of published papers will provide useful reference materials for the researchers and practicing engineers. The Chief guest for the conference was Mr. Deepak Sidhu, Head of Electronics Engineering Department, IIMT Engg College, Meerut. In total more than 20 papers were presented by faculty and students of IIMT and other engineering colleges.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

National Workshop

On

Renewable Energy & Science Communication

(Date: 31st January, 2018 Dept of ECE)

Sarabhai Hall

Speaker: Irfana Begum

(Project Officer Vigyan Prasar, Department of Science & Technology - DST)

Department of EC organized National Workshop on Jan 31, 2018 on “RENEWABLE ENERGY AND SCIENCE COMMUNICATION”.

GUEST for this workshop was Dr. Irfana Begum, working with Vigyan Prasar, Department of Science & Technology (DST) since 2006 as project officer EduSAT Network.

Also present were Ms. Rashmi Chawla, from YMCA University of Science & Technology. Her research background is from VLSI designing and Nanotechnology. She is working with YMCA University of Science and technology.

DEPARTMENT OF ELECTRONICS & COMMUNICATION ENGINEERING

International Conference

On

ICT Globalization & Automation - 2018

(Date: 12th – 13th April, 2018 Dept of ECE)

C. V. Raman Hall

Speaker: Dr. Dinesh Kumar Vishwakarma

(Associate Professor, Delhi Technical University)

Department of Electronics and Communication Engineering organized a two day International Conference on ICT Globalization and automation – 2018 during 12-13 April 2018. The Chief Guest for this event was Prof. Dr. M K Soni, Pro – Vice Chancellor of Manav Rachna Integrated University, Faridabad. The keynote speaker was Prof. Dr. Munna Khan, from Jamia Millia Islamia Central University, New Delhi.

There were more than 24 papers presented, both by faculty and students of IIMT and other reputed colleges.
