On

Python

The department of computer science and engineering (Artificial Intelligence), IIMT College of Engineering, Greater Noida organized a minor activity on Python Quiz for 3rd year students on 28th September, 2022.

The activity consists of two rounds:

- ❖ First round was conducted in Room No: 204, B-block, IIMT College of Engineering, Greater Noida with the help of Google Form. There were 40 questions of the Python Programming language in MCQ format. The duration of the quiz was 40 minutes and the level of difficulty was moderate to high.
- ❖ Based on the obtained marks in the MCQ Quiz, four students selected for the second round. The second round was conducted in the Seminar room of the Computer Science and Engineering department.

Finally two students selected as winner:

- ❖ Winner: Manshi Chouhan(2002161520030)
- ❖ Runner-up: Aman Kumar(2002161520007)

Prize distribution was conducted and Mr. Ajay Gupta, HoD, CSE (AI) & AI-DS felicitated the winner. The coordinator of activity was Mr. Abhishek Kumar, Assistant Professor, Department of Computer Science and Engineering (AI). These are some glimpses of the Quiz Activity

Debate Competition: Pros and Cons of AI in Human Life

The department of Computer Science and Engineering (Artificial Intelligence), IIMT College of Engineering, Greater Noida organized a minor activity on Debate Competition, Topic “**Pros and Cons of AI in Human Life**” for 2nd year students on **29th September,2022**.

The activity consists of two rounds:

- ❖ **First round** was conducted in Room No: 204, B-block, IIMT College of Engineering, Greater Noida. Debate Competition on Topic (Pros and Cons of AI in Human Life).First, we formed two groups, one for pros and second for cons of AI. The duration of the quiz was 60 minutes.
- ❖ Based on the obtained marks in this round we short listed 4 students (each). Again students form two groups and start the debate on Topic:”**How AI is important in cyber security.**”
- ❖ During this round participant and audience both were very actively enjoy the session.
- ❖ Participant high light most of the current cyber security issues and protection through AI techniques.

Finally two students selected as winner:

Winner: Tanishka Jain(2102161520059)

Runner-up: Dilip (2102161520026)

Prize distribution was conducted and Ms. Reeta Mishra, Assistant Professor, CSE (AI & AI-DS) felicitated the winner. The coordinator of activity was Ms. Reeta Mishra, Assistant Professor, Department of Computer Science and Engineering (AI). These are some glimpses of the Activity.

My Story - Motivational Session by Successful Entrepreneur/Start-up founder

The department of CSE (AI), IIMT College of Engineering, Greater Noida, jointly organized a guest lecture on **“My Story- Motivational Session by Successful Entrepreneur”** in collaboration with the Institutions Innovation Council (IIC) for the students of department on 29th November, 2022.

The program began with a brief introduction of the guest speaker Mr. Amar Sharma, (Founder & CEO of WOIR Software Pvt. Ltd, Hyderabad, Telangana) who is an alumnus of IIT Roorkee & IIT Delhi. Welcome note was given by Mr. Ajay Gupta (Head of the Department) presenting a ‘Tulsi sapling’ to the expert.

The speaker began his lecture with a brief summary of how he came to start his own venture after working more than two decades with various leading MNCs like Microsoft, Yahoo, Motorola. He then told the audience about the very first startup and the mistakes he made in the establishment of the same. How his mistakes lead to closing of his first startup. He also explained to the students how he overcame his failures and started with a new beginning after learning from his own mistakes. He told students what the meaning of success is to various people and motivated the students to not undergo depression if you met some failures in life. But analyze your decisions and evaluate them and learn from your own mistakes to take baby steps to achieve your ultimate goal. The session was quite motivating and full of energy too.

The session was concluded by presenting a memento to the speaker Mr. Amar Sharma by Mr. Ajay Gupta (HoD) and vote of thanks by Mr. J. P. Bhati (Asst. Professor) with a brief photo-session with faculty members and students.

**Workshop
On
Artificial Intelligence with Data Science and Its Applications**

The department of CSE (AI) & AI-DS, IIMT College of Engineering, Greater Noida, organized a workshop under AI & Tech Club on “**Artificial Intelligence with Data Science and Its Applications**” for the students of department on 21st November, 2022.

The event, coordinated by Mr. J P Bhati (Assistant Professor) began with a brief introduction of the expert Mr. Prem Kumar Bharti,(Data Analyst, Blogic Software Technology Pvt. Ltd, Noida) and welcome note by Mr. Ajay Gupta (Head of the department) with presenting a ‘Tulsi plant’ to the expert.

The session began with introduction of Artificial Intelligence and Data Science in which the expert told students about the above hot topics of computer science & engineering, their trends and scope of these domains in the current fast changing scenario of the technical world.

The expert gave a demo on how to work on tools used for data analysis with a few latest tools. He taught the students whole process of data warehousing and data-mining. Students get an insight of these domains, how these are affecting the globe on technical, business and employment fronts. How they can prepare themselves for the future jobs in the above mentioned domains of computer science. The session was quite knowledgeable and inter-active one as students ask lot of queries and also gave answers to the expert’s questions.

The session was concluded by presenting a memento and vote of thanks to the expert by HOD sir with a brief photo-session.

Critical Design Thinking

The Institution's Innovation Council(IIC-IIMT) and department of Computer Science and Engineering(Artificial Intelligence), IIMT College of Engineering, Greater Noida jointly organized a guest lecture on Critical Design Thinking on February 23, 2023 at Vishveshwarya hall.

The program started with a brief introduction about the Institute Innovation Council (IIC-IIMT) and brief introduction of the eminent speaker by Ms. Rangoli Srivastava and Mr. Shahzad Mukhtar, students coordinators, CSE(AI), 3rd year. Dr. Ajay Kumar Gupta, Associate Professor and Head of Department of CSE(AI) presented a Tulsi sample to the guest. Ms. Pooja Arora Sethi (IIM, Calcutta Alumni) successfully delivered the lecture on the above mentioned topic with numerous practical examples. There were 87 students who keenly listened to the talk and also asked various questions related to design thinking. She also explained about the different implications of design thinking in industry and corporate worlds. The vote of thanks was presented by Mr. Rakesh Patel, Assistant Professor, CSE(AI). These are some glimpses of the program.

**IIMT COLLEGE OF ENGINEERING, GREATER NOIDA
DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING
(ARTIFICIAL INTELLIGENCE)**

**Workshop
On
Cloud Computing (Basic To Advance)**

The AI & Tech Club, Department of Computer Science and Engineering (AI), IIMT College of Engineering, Greater Noida organized a workshop on cloud computing (Basic to Advance) on Thursday, 01st June, 2023.

The second year students of CSE (AI) and AI-DS participated in the workshop. Mr. Yash Bhaghel was the guest speaker. He is working as senior cloud developer in Maven Wave. He interacted with the students in a very cordial manner. He covered the fundamentals of cloud computing as well as demonstrated some basic applications of cloud computing in real world, like how we can host our applications worldwide in AWS, etc. The faculty coordinator for the event was Mr. Jai Prakash Bhati, Assistant Professor, Department of Computer Science and Engineering (AI). Purna Sharma and Aman Raj were the student coordinators and both of them conducted the event successfully. The students were very enthusiastic and eager to learn some new things.

Dr. Ajay Kumar Gupta, Associate Professor and Head of Department, CSE (AI) felicitated the guest speaker. The vote of thanks was proposed by Mr. Jai Prakash Bhati, Assistant Professor, Department of CSE (AI). These are a few glimpses of the event.
