INFO-MANIA

Department of Information Technology

January to March

A QUARTERLY PUBLICATION OF NEWSLETTER

Editor's Desk

At IIMT, we provide quality education in both the theoretical and applied foundations of Information Technology. We train students to effectively apply this education to solve real-world problems. IIMT believes in amplifying student's potential for lifelong and gives them a competitive advantage in the ever-changing and challenging global work environment of the 21st century.

We conduct research to advance the state of the art in Information Technology and integrate research results and innovations into other scientific disciplines. Thus providing education and training to students in different field, At IIMT we provide IT students to reach the zenith of their career. We aim at building a strong research and teaching environment that responds swiftly to the challenges of the coming time.

Gr. Noida

"QUOTE FOR THE QUARTERLY"

"If future generations are to remember us more with gratitude than sorrow, we must achieve more than just the miracles of technology. We must also leave them a glimpse of the world as it was created, not just as it looked when we got through with it."

Lyndon B. Johnson, Former President of the United States of America

"Maybe each human being lives in a unique world, a private world different from those inhabited and experienced by all other humans. . . If reality differs from person to person, can we speak of reality singular, or shouldn't we really be talking about plural realities? And if there are plural realities, are some more true (more real) than others? What about the world of a schizophrenic? Maybe it's as real as our world. Maybe we cannot say that we are in touch with reality and he is not, but should instead say, His reality is so different from ours that he can't explain his to us, and we can't explain ours to him. The problem, then, is that if subjective worlds are experienced too differently, there occurs a breakdown in communication ... and there is the real illness."

— Philip K. Dick

Science is built with facts as a house is with stones, but a collection of facts is no more a science than a heap of stones is a house.

-Jules Henri Poincare, Mathematician, Physicist, and Philosopher

Nature's laws affirm instead of prohibit. If you violate her laws, you are your own prosecuting attorney, judge, jury, and hangman

. -Luther Burbank, Horticulturist

Achievements and Awards

IT Department of IIMT College of Engineering havg well qualified faculty members and them update him according the time.

Ms. Rajani Singh: Working as an assistant professor in IT department form couple of months. After the joining college enrolled herself in PhD Program in Amity University in month of January 21

"Students Update"

IIMT College of Engineering has well developed Training and Placement Cell to guide students to choose right career and to give knowledge, skill, and aptitude and meet the manpower requirements of the Industry. It helps students to obtain employment and experiential opportunities in business and industry for students and alumni in all curricula. It counsel, prepare and enhance hiring potential of students, new graduates and alumni into the job market. It also assists in the placement of work study to eligible students. Training focuses on doing activities today to develop employees for their current jobs and development is preparing employees for future roles and responsibilities.

IIMT College of Engineering has successfully provided internship to the students of B-Tech 3rd Year and 4th year students.

Kausal Kishore student of 3rd year has participate in the web development program in January 21

"Placement Update"

These students well placed in the chegg India with handsome package through IIMT Oncampus placement cell.

Placed Students (IT Department)

Kaushal Kumar
Chegg India with
Package 9.60 LPA

Kunal Kumar Garg
Chegg India with
Package 9.60 LPA

Osama Siddique
Chegg India with
Package 9.60 LPA

"Upcoming Events"

In the upcoming next quarter we have scheduled multiple events and activities list are following:

1. *Workshop on "technology Transfer*

2. *Alumni Connect*

3. *ONLINE MENTORSHIP SESSION ON "INNOVATION AND STUDENTS ENTREPRENEURS"*

4. *ONLINE MENTORSHIP SESSION ON "FORMALITIES OF TECHNOLOGY TRANSFER"*

5. *ONLINE MENTORSHIP SESSION ON "INNOVATION AND STUDENTS ENTREPRENEURS"*

6. *ONLINE WORKSHOP ON "Discussion about the patent filing process"*

"Editorial Board "

Faculty Members IT Department :
  1. *Mr. U.P Pandey*
     (Assistant Professor)
  2. *Mr. Lakhan Singh*
     (Assistant Professor)

Students

  1. *Utkarsh Gupta (3rd Year)*

  2. *Bibhaker Jha (3rd Year)*

  3. *Madhav Chandok (2nd Year)*

  4. *Utpla rai (2nd Year)*
