This year has been incredibly challenging, but I am proud to say that our faculty members, staff, and students are meeting the challenges with grace, good will and creativity.

In the view of widespread pandemic COVID 19 which has disturbed the life and working of whole world. We as "IIMT Parivaar" have not only taken care of all the guidelines and protocols laid down by the government but also proved our commitment towards academic excellence by arranging various professional activities such as guest lectures, technical quiz, industrial tour, alumni connect programs and seminars/workshops/ FDPs both for the holistic development of students and faculty members.

We hope you enjoy this newsletter also. We appreciate your continued support and shared commitment to the Department of MCA—and to our mission as to develop professionals with application-oriented computing abilities and ethical practices.

Take care, and stay healthy"

On behalf of Department of MCA I wish you all a very Happy and Prosperous New Year 2022.

ALUMNI CONNECT

We nurture to maintain a sense of connection with the Alma Mater among Alumni by keeping in touch with them on a regular basis by arranging and managing Alumni reunion events providing a platform for the Alumni to exchange thoughts on current academic, cultural, and social concerns. With this thought in mind our Department conducted two such events.
