As from past around two years we are facing with the challenges due to COVID but simultaneously we could say that our faculties and student both learnt a lot from this. Before that we never think about the online teaching & learning with the help of LMS and initially both of them faced many difficulties but now we can say that both are using this teaching & learning tool very efficiently. Now we are motivating our students to have some new innovation by creating some new applications which helps us as well as to the others also. We are proudly announce that our faculties & students both have participated in various FDPs & SDPs time to time to enhance their knowledge by which they could achieve new hights of knowledge & success. It also helped a lot to our students to make them industry ready.

We also would like to give our special thanks to our Hon'ble Managing Director Sir, Dr. Mayank Agrawal who always motivate us and always ready to provide all the essential support for the growth of the faculties and students.

We hope you enjoy this newsletter also .We appreciate your continued support and shared commitment to the Department of MCA—and to our mission as to develop professionals with application-oriented computing abilities and ethical practices.

Quote:

“Winners are not those who never fail but those who never quit”.

- Dr. A P J Abdul Kalam

ALUMNI CONNECT SERIES

We nurture to maintain a sense of connection with the Alma Mater among Alumni by keeping in touch with them on a regular basis by arranging and managing Alumni reunion events providing a platform for the Alumni to exchange thoughts on current academic, cultural, and social concerns. With this thought in mind our Department conducted three such events in the last three months.

ALUMNI CONNECT-1

The poster for the Alumni Connect-1 event features the IIMT logo at the top, followed by the text 'Department of MCA ALUMNI CONNECT'. A circular portrait of Mr. Suraj Kumar is shown on the left. To the right of the portrait, it reads 'SURAJ KUMAR Batch : 2017 - 19 Lead Engineer HCL, Noida'. Below this, it says 'Mode Offline'. At the bottom, the event details are listed: '06th January, 2021 | 11:30 AM to 12:30 PM' and 'Venue : Sarabhai Hall'. A box identifies the coordinator as 'Ms. Megha Saloni, Assistant Professor, IIMT College of Engineering'. Social media handles for IIMT are listed at the very bottom.

student of MCA. The Alumni **Mr. Suraj Kumar** of Batch **2017-2019** is currently working as a **Lead Engineer** in **HCL, Noida**.
