About the Department of ComputerScience and Engineering

Department of Computer Science was established in the year 2005 with an intake of 60 students which has been rose to 120 per year, with the objective of imparting quality education in the field of Computer Science Engineering.

The department has also achieved prestigious NBA (National Board of Accreditation) and aims to be the Centre of Excellence in providing international standard education and consultation in the field of computer science and thus targets to produce globally competent and self disciplined computer engineers.

To Keep pace with rapidly evolving technology and continuous need for innovation in year 2020, the department has also started B.Tech. in "Artificial Intelligence" with an intake of 60 students, we always aim to produce quality professionals, holding important positions in information technology industry in India and abroad.

The Department of Computer Science and Engineering offers B.Tech course, lays emphasis on deep understanding of fundamental principles and knowledge of Computing Devices, logic, circuits, and computer architecture. The department is fully equipped with laboratories, along with advanced software's like MATLAB, Oracle, j meter and Selenium under the supervision of well-qualified Professors with Ph. D. and M. Tech. from reputed institutes like IITs, NITs, etc.

From Editor'sDesk

Prof (Dr.)Prabhat Kr.Vishwakarma

The Department of Computer Science & Engineering is accredited with NBA.The Department executes 4 year B.Tech. Course in "Computer Science Engineering" since 2005. It has state-of-the-art & world class facilities, with clear aim to be known as the best department in Computer Science & Engineering among all other Indian Colleges of repute. As a wealth, the department has a strong team of faculty members with high dedication towards the commitment. The pass out students of the department are performing extremely well in almost all the leading organizations and making the name of the department sparkle bright. Here at IIMT, we are committed to provide not only technical education to our students but also the leadership qualities through which they can create employment for others.

Sincerely,
Prof (Dr.)PrabhatK. Vishwakarma
Chief Editor & HOD Dept. of CSE

(

Technology is nothing. What's important is that you have a faith in people, that they're basically good and smart, and if you give them tools, they'll do wonderful things with them.

MODERN SCIENCE

will save the world or kill us all

STEVE JOBS

Alumni Meet- "Milan 2023"

On 28th January 2023, the Department of Computer Science and Engineering of IIMT College of Engineering, Greater Noida organized "Milan 2023" Alumni Meet. More than 200 alumni registered and joined the event. Our entire pass out batch of students working in different multinational companies like Microsoft, Wipro, TCS, IBM etc. spared their valuable time to join our mega event Milan-2023 and contribute to make it a grand success. All students from CSE department enthusiastically welcomed their seniors by making posters, models, and craft-work. Our alumni interacted with existing students and shared their success stories with them that boosted the morale and gave a direction to the students in their futuristic plans.

Workshop on "Designing a Website"

On 7th February 2023, the Department of Computer Science and Engineering of IIMT College of Engineering, Greater Noida organized a workshop on "Designing of Website". The guest speaker **was** Mr. Sanket a software developer. The Chief Guest gave excellent inputs to the students while highlighting the role and responsibilities of website designer. The event was co-ordinated by Mr. Jain Singh and Dr. Prabhat Kumar Vishwakarma HOD (CSE)

The Chief Guest began the session by a thought provoking insight on the designing of website with the help of real life examples. Hundreds of students enrolled for the workshop. The entire session was very interactive; the queries of participants were tackled in a convincing manner by the resource person.

Mr. Sanket delivering the topic

Memorable moments with the Chie Guest .

Workshop on Idea Validation

A workshop was held on 24th February, 2023 on Idea Validation, jointly organized by Institutions Innovations Council (IIC) and the Department of Computer Science. Mr Prakhar Ranjan, the guest speaker, is a director in Govivace Research and Software Services India Pvt Ltd. In Vishveshwarya Hall, the workshop started with a warm welcome of the speaker Mr. Prakhar Ranjan.

The workshop continued with the elaboration and importance of Idea and how we validate and verify the Idea. The most important thing is the generation of idea and how we approach to make the idea implemented. Several applications and advantages were discussed and the importance was highlighted in the current scenario such as how an idea can change ones life and how it affects engineering skill.

The workshop wa attended by more than 60 participants from final and pre final year students. The session was very interactive and very fruitful . Thee feedback of the students was very good.

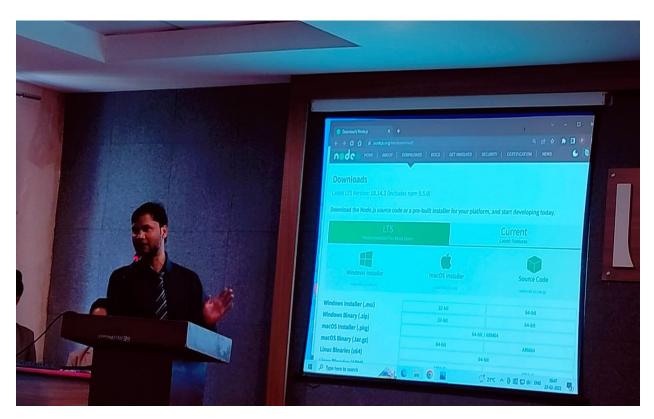

The Chief Guest Mr Prakhar Ranjan with the HOD and Faculty

Workshop on Design Thinking, Critical Thinking and Innovation Design

A workshop was held on 23th February, 2023 on Design Thinking , Critical thinking and Innovation Design, jointly organized by Institutions Innovations Council (IIC) and Department of Computer Science. Mr.Ritesh Jha, the guest speaker, who is React developer in Chetu India (Noida). In Vishveshwarya Hall (IIMT). The workshop started with a warm welcome of the speaker Mr.Ritesh Jha.

The workshop focussed on importance of critical thinking and innovation. Mr.Jha elaborated how time is precious and more valuable than money. He illustrated to all of us how new ideas make difference in the society and how we can come up together to find the solution to real world problems. The value of true effort and patience has to be understood in the beginning so that we can give our effort a correct direction. The workshop was concluded and vote of thanks was delivered by Mr.Suman Kumar Jha . The workshop was attended by around 80 students .The session was very interactive and was of great inspiration for all the students and faculties.

Speaker Mr.Ritesh Jha addressing the faculty and students

Felicitation of the Chief Guest

Certificate Distribution to the participants
