A Quarterly Publication of MCA Department

Volume 14, Issue 1

Jan-Mar 2023

Quarterly Publication

From Chief Editor's Desk

Dr. Naveen Kumar Sharma
HOD MCA

Dear readers,

Hope, you all are doing well, healthy, and safe. I pray to God to keep all of us Healthy and Happy. I also would like to wish all my department students best of luck for their upcoming university end semester examination and advice them to do their best without any fear don't bother about the result but ensure that whatever they will do will be the best which they could.

I am also very much hopeful that this newsletter will inspire you all to increase your efforts to enhance research and innovation activities to bring the Department and yourself to the highest

Motivational Quote:

PIZZA always confuses me. It comes in a square box, yet when you open it, it's round and when you start eating it it's a triangle! Life and people are like PIZZA, looks different appear different and of course behave absolutely different.

- **Dr. APJ Abdul Kalam**

Alumni Meet “MILAN 2K23”

On 28th January 2023, the IIMT Group of Colleges organized the “ALUMNI MEET MILAN 2K23”. This program was celebrated like a festival in the College. The alumni meet is conducted in order to reconnect with the alumni and celebrate their success and various achievements.

The alumni started arriving at the College by 11.00 am and were welcomed by the registration team and taken on a tour of the campus, shown various developments and revisited their department (**Department of MCA**) where they studied.

Dr. N.K. Sharma, HoD, the faculty members Asst. Prof. Ms. Manju Verma and Asst. Pro. Sakuldeep Singh and the students of MCA welcomed the alumni.

The alumni enjoyed the moment and were shown photo session to relive their old memories with some funny question answer and games organized by MCA students. They met their juniors and shared experiences and answered the curious questions of the students. Finally, they enjoyed the night party organized by the College.

HOD (MCA) Dr. N.K. Sharma, faculty members and MCA students with Alumni in “MILAN 2K23”

Guest Lecture on “DATA SCIENCE”

On 31st January 2023, the Department of MCA successfully conducted a Guest Lecture on the topic “DATA SCIENCE”. The lecture was delivered by the guest Speaker Mr. Jitendra Kumar a Data Scientist at APPWARS Technologies Pvt. Ltd. Noida. He is also certified by IBM, Google, and Microsoft for data science projects.

In the current scenario, Data Science is an emerging field in the IT Industry. To make the students aware this department was organized as a guest lecture on Data Science.

The Guest Speaker Mr. Jitendra Kumar, Data Scientist in Appwars Technologies Pvt Ltd .Noida has a vast experience in multiple technologies like AI, ML, Data Science, etc. He has completed various projects in the aforesaid mentioned technologies.

The session started with a brief introduction of the expert by the anchor and succeeded by the motivational talk.

The session was very interactive between the expert and the students. The experts elaborated on many tools and techniques to the students and also explained the future of data analytics and data science in the IT Industries in India and abroad. Approx 80 participants and the faculties attended the session and many of them asked various questions from the expert. The session was appreciated by all the participants.

Session on “ENTREPRENEUR AS INNOVATORS”

ENTREPRENEUR AS INNOVATORS

On 22nd February 2023, a session on “**ENTREPRENEUR AS INNOVATORS**” was jointly organized by the Institution’s Innovation Council (IIC-IIMT) & Department of MCA in Sarabhai Hall. The session was coordinated by Ms. Manju Verma, Assistant Prof, MCA.

It started with a brief introduction of the Guest speaker by the anchor, Ms. Sandhya Kumari (student coordinator). The Speaker was Mr. Vikas Kr Sagar, Director & Founder, Hobo Livings Pvt. Ltd. He completed his B.Tech in Computer Science & Engineering and in his third year he had decided to start this service-based startup which helps a lot to its stakeholders basically students who came from remote areas to complete their study.

At the start of the session department Head, Dr. Naveen Kr Sharma motivated the participants with his motivational talk about innovation and startups and welcomed the speaker Mr. Vikas Kr. Sagar to start the session.

Around 65 participants from MCA & IT departments were present in the session including the faculty members. . During the session many students asked questions to the speaker and the speaker answered all the questions very nicely with the appropriate examples to satisfy the participants. The session was very much appreciated by the participants.
