# From Chief Editor's Desk

**Dr. Naveen Kumar Sharma**  
HOD MCA

I am elated at the publication of Department Newsletter for the quarter April -June 23. I sincerely hope that the Newsletter proves to be a useful apparatus in the hands of both students and Faculty of the College.

Seeing that this publication has achieved its goal, brings me a great deal of satisfaction. The Newsletter's highpoint is its depiction of the students' originality and success. The opinions and ideas presented by the students through various academic activities are profound. Further, to

enhance the soft skills and latest IT trends, various activities were conducted at Department level.

I am hopeful that in future as well, we will be able to produce this type of Newsletter in order to reflect the overall creative quality of our students.

Sincerely,  
**Dr. Naveen Kumar Sharma**  
Chief Editor & HOD Dept. of MCA

## Solar Energy Promotion

On 23rd April two students Ankur (MCA Ist Year) and Ajeet Rajpoot (MCA Ist Year) visited Indira Gandhi Indoor Stadium in New Delhi to be a part of World's Largest Global Climate Clock Assembly and Display event. The event saw the assembly of 559 climate clocks. The Energy Swaraj Foundation spearheaded the event, with students from all over India gathering to set a world record of assembling 559 clocks together.

The assembly of clocks began after a lecture from Prof. Chetan Singh Solanki, the Solar Man of India, who spoke about understanding climate change and limiting the use of energy through the AMG principle – Avoid, Minimize, and Generate.

The event was recorded in the Asia Book of Records for the highest number of climate clock assemblies across the country and was also trending at The Times Square in New York, USA. The global partner for the event was Climate Clock Group, who first displayed the climate clock at The Times Square.

The students had a great learning experience about the climate clock assembly.
