From Chief Editor's Desk

Dr. Naveen Kumar Sharma
HOD MCA

Hope you all are having a wonderful day. As the Head of the Department of MCA, I am delighted to welcome our new students of MCA 1st year in the IIMT Group of Colleges, Greater Noida. Also I would like to inform you all that our department achieved an excellent result and placement records for our students during the last session. Our Department not only focuses on the curriculum but also offers students the opportunity to experience different type of activities and broaden their perspective in the field of computers.

I would like to extend my gratitude to all for their cooperation in bringing up this issue.

Sincerely,
Dr. Naveen Kumar Sharma
Chief Editor & HOD Dept. of MCA

Skill India Hackathon-2023

On 19th - 20th September 2023, IIC-IIMT College of Engineering and Department of MCA, organised "Internal Hackathon for SIH 2023" under the supervision of Prof. Naveen Rathee (SPOC-SIH 2023) and Mr. Saswat Kumar Das (Convener-IIC).

Smart India Hackathon 2023 is a nationwide initiative to provide students a platform to solve some of the pressing problems we face in our daily lives, and thus inculcate a culture of product innovation and a mindset of problem solving.

Three teams with their different problem statements got selected for internal hackathon-2023 under the guidance of Dr. Roopsi Rathi, Assistant Prof (MCA) and Mr. Kameshwar Singh, Assistant Prof (MCA).

. Out of three teams two teams got selected for the further rounds.

- **Team 1: SmartEdu**
  Problem Statement: Mental health and well-being surveillance, assessment & tracking solution among children

- **Team 2: TechnoArt**
  Problem Statement: Student Innovation agri soil

- **Team 3: Developers**
