

IIMT COLLEGE OF ENGINEERING

DEPARTMENT OF CIVIL ENGINEERING :DEPARTMENTAL ACTIVITIES

SESSION(2021-22)

“One day Workshop on “Intellectual Property Right(IPR) and Management for Startup”

The Department has organized One Day workshop on Intellectual Property Right(IPR) and Management For Start Up” followed by quiz completion. The Guest Speaker was Mrs.Bhawana Nagar(Advocate).She had nicely explained the importance of IPR and start-up management. The session was very interactive between the speaker and the students. The workshop helped about awareness about Intellectual Property Rights (IPR) in all the Sectors, thereby furnishing requisite guidance and proficiency about an assortment of procedures of copyrights, patents, trademarks, and publicity rights search and application filing. The main aim of workshop is to impart greater awareness about the issue of IPRs, and Startup which gained a special importance for all the domains of socio-economic development. It provides rewards and recognition to inventor/contributor for their research, designs, discoveries, inventions, etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy.

Civil Department has organized One Day “STARTUP IDEA EXHIBITION”

More than 50 students participated in activity. The main important point was that there must be a strong description of your idea has to stand out and it has to catch someone’s attention. A key skill for any entrepreneur is to be able to effectively explain his or her idea to others. The activity intended to build a strong eco-system for nurturing innovation and Startups in the country that will drive sustainable economic growth and generate large scale employment opportunities. This aims to empower Startups to grow through innovation and design. An exhibition show is a unique and exciting opportunity for to make a splash in your career for access to the same clients as your competitors. The main objective of the event was :

- ❖ To make the students aware of importance of Startup in Business Management and educate their minds to go for start-ups .
- ❖ To attract young civil engineers into a profitable business in Construction Industry sector through start-ups .
- ❖ To promote business in Construction Industry in the country in order to generate more employment and develop our Country into a self-reliant powerful and vibrant economy in the world .

The poster for the Startup Idea Exhibition at IIMT College of Engineering features the Institution's Innovation Council logo and the motto 'Aim For Excellence'. It prominently displays the event title 'STARTUP IDEA EXHIBITION' and provides a QR code for registration. The event is scheduled for May 16, 2022, from 12:00 PM to 05:00 PM. The coordinator is Mr. Satyaveer Singh and Mrs. Mona Khosla. Patrons include Dr. S.S. Tyagi, Dr. Sanjay Pachauri, and Mrs. Tabassum Abbasi. The venue is Civil Seminar Hall, Room No. - 315, Block-A, IIMT College of Engineering. Contact information for the institution is provided at the bottom.
