EVENTS--SESSION (2022-23)

Activity Report

SESSION ON - HOW TO GENERATE GOOD IDEA

JOINTLY ORGANIZED BY IIC-IIMT COLLEGE OF ENGINEERING & DEPARTMENT OF MCA

Activity Type: IIC calendar Activity
Guest Speaker: Dr Ajay Sharma
Company: IBM Pvt Ltd, Noida
Designation: Delivery Manager
Date: 29th November 2022
Time: 11:30am onwards
Participants: Students and Faculty :102

Objective:

1. Ask questions: Foremost, idea people are curious people. ...
2. Write Your Ideas Down: Creative people keep lists and notes. ...
3. Think Associatively: Many ideas are the result of associative thinking. ...
4. Put Ideas to the Test: Innovators know the importance of experimentation.

The session was coordinated by Ms. Manju Verma, Assistant Prof, MCA Department. It was started with the brief introduction of the Guest speaker by the anchor, Ms. Sandhya Kumari (student coordinator). Expert Speaker Dr Ajay Sharma of IBM India PVT LTD is working as a global service delivery manager and a vast experience on the various technologies and a good mentor for those who want to create some new idea. Department Head, Dr. Naveen Kr Sharma motivate the participants with his words about the idea, innovation and after that welcome the speaker to start the session on How to create good idea.

IIMT COLLEGE OF ENGINEERING
DEPARTMENT OF MCA
EVENTS--SESSION (2022-23)

Dr Ajay Sharma started the session by his motivational words for the participants and discussed in details about good idea creation and told the participants to focus on the four points which are very much responsible for the good idea generation like---

1. Make a habit to Ask questions,
2. Write down the idea on paper of your mind,
3. Think and discuss your idea with more people to make it an effective idea,
4. Put the idea on to check for its viability.

He motivated the participants to try new things, make a habit to ask questions without hesitation to make them more understandable and confident, also advised them to write down few ideas every day.

.

More than 100 participants including faculty members from the department of MCA & also of IT were participated in the session , the session was very interactive in between the speaker and participants during the session many students asked questions from the speaker and the speaker answers all the questions very nicely with the appropriate examples to satisfied the participants. The session was very much appreciated by the participants.

In the last Ms. Manju Verma, Assistant Prof., delivered the vote of thanks to the guest, dignitaries, and the participants. The session was appreciated and liked by all the participants.

Learning OutCome:1 Student were motivated and discuss their idea to work out on them.
2.Students have understood that how to choose effective team to implement the good idea.

EVENT ON TECHNICAL QUIZ

Activity Type: Technical Quiz
Faculty coordinator: Mr,. Sakuldeep Singh, Assistant Professor
Student coordinators: 1. Jay Prakash Katiyar, MCA
2. Harsh Shukla, MCA
Date: 20th April 2023
Time: 12pm onwards

Objective:

d) To check the potential of the students in diversified area of Technical field .
e) The primary purpose of the programme is to motivate the students to learn the technical skills in different area which helps him or her to become a Professional.

Brief Write up on the Programme/Event:

The session was coordinated by MsR. Sakuldeep Singh. Assistant Prof, MCA Department & two students coordinators At the start of the session department Head, Dr. Naveen Kr Sharma motivated the participants with his motivational words about the innovation.
Around 44 participants from MCA departments were participated in the event, Technical Quiz , the event was organized by the students coordinator including the various topics of IT field. In this students were provided the 30 questions and they have to give the right answer in total the activity of the 60 marks and of 40miniutes. Participants had appreciated the event.

Result of the Activity

S. No.	Name of Student	Position
1	Gaurav Singh bisht	I (First)
2	Vaibhav Gupta	II (Second)
3	Bhavya Madaan	III (Third)

In the last the vote of thanks was delivered by the faculty coordinator Ms. Manju Verma, Assistant Prof., The session was appreciated and liked by all the participants.

Learning Outcomes:

f) Students had initiated to come up with the understanding of latest technologies .
g) Students were motivated to generate the interest in different IT Field after the activity.

Budget: **T**he whole cost of planning the event came to 1,000 Indian Rupees (INR).
